

# EYS Eco-Rating Form

Date:  
 Producer: ECOVER  
 Product:

21/01/21

FABRIC SOFTENER /  
 ADOUCISSANT

EYS Product Rating Legend	
Eco-compatible product	
Product w/ doubts and/or uncertainties	
Product w/ high environmental impact	

meta.consort

Life Cycle Phase	EYS Criteria & Colour Code	Global EYS Rating	#	Ingredients INCI Code Declaration according to EC 648/2004 and EU CoSing database	Ingredient Rating	Remarks on Ingredients
1. Extraction	Plant & mineral raw materials Minimal / no fossil raw materials Sustainably sourced raw materials Working towards green No mentions		1	Aqua		
			2	Rapeseed based esterquat		
			3	Propylene glycol		
			4	Parfum		No specifications
			5	P-Anisic acid		
			6	Lactic acid		
			7	Magnesium chloride
