

For the perfect finish on glass and all shiny surfaces, this cloth's finer fibre construction and weave increase the speed at which moisture is absorbed.

The Glass & Polishing Cloth removes light grease and finger marks to give the perfect, streak-free finish. It will easily outperform specialist liquid window cleaners. The most versatile of E-cloth's range, this seam-free cloth reduces the risk of scratching the surface.

APPLICATIONS

Glass, chrome and stainless steel.

<i>Product</i>	ICDEC020
<i>Size</i>	40cm x 50cm

INSTRUCTIONS

- Wet the surface with a water spray or damp cloth
- Wipe the damp surface with a dry cloth

CARING FOR YOUR CLOTH

- For day-to-day use, rinse with warm water and allow to air dry completely after each use
- Machine washing recommended as low as 30°C; for best results wash at 60°C with a small amount of washing liquid or powder

⚠ Do not use bleach or fabric softener

TIPS

- Use E-cloth General Purpose Cloth to clean dirtier surfaces first, then the Glass & Polishing Cloth for the perfect streak-free finish
