

Christofle's anti-tarnish silver paste simultaneously polishes, removes tarnish, restores original shine and helps protect your precious silverware from future damage. Comes with a sponge applicator. Avoid contact with the wooden elements of your silverware. pH not available

#### APPLICATIONS

Cleans, polishes and protects all of your silverware.

#### EQUIPMENT

- Lint-free cloths
- Gloves to protect your hands

<i>Product</i>	ISICH040
<i>Size</i>	185g

#### INSTRUCTIONS

##### Step 1

- Dampen the sponge provided and spread a little product over the item
- Rub gently using small circular motions

##### Step 2

- Allow product to dry for 1 to 2 minutes
- Rinse item thoroughly and carefully under hot running water
- Dry well immediately with a soft absorbent cloth

#### TIPS

- If item is highly oxidised, the product may be used 'neat' on a very soft cloth. Rub in small circular motions until the oxidisation is transferred to the cloth. Rinse and dry the item well
- If you want to add a 'flash' to the surface of your silver, use Christofle's Flashargent after polishing with the paste
