

Protect your flatware from oxidation by applying Christofle anti-oxidant, anti-tarnish liquid. Cleans, polishes and protects all of your silverware. pH 8

APPLICATIONS

Great for silverware with nooks and crannies where a cream polish could get stuck and not wash away as easily.

EQUIPMENT

- Lint-free cloths
- Gloves to protect your hands

<i>Product</i>	ISICH020
<i>Size</i>	200ml

INSTRUCTIONS

Step 1

- Shake bottle well
- Spread a little product over item with a soft cloth
- Rub gently using small circular motions

Step 2

- Allow product to dry for 1 to 2 minutes
- Rinse thoroughly and carefully under warm running water
- Dry well immediately with a soft absorbent cloth

TIPS

- This product is not particularly recommended for use with flatware as you will end up using considerably more than with Christofle's paste version
- If using the dishwasher to wash and clean your Christofle flatware, use chlorine-free powders or tablets, no liquid or gels
