

Easy to use cream that protects and maintains polished stone surfaces. Perfect for touching up dull areas on marble.

Lithofin MN Polish Cream is a care product that penetrates the surface of the stone and enhances the colour structure.

Suitable for use in food areas. Contains natural waxes. Free from chlorinated hydrocarbons. pH 8.5 – 11.5

APPLICATIONS

Takes care of all polished stone surfaces and maintains their beautiful appearance. Provides gloss and protection.

EQUIPMENT

- White lint-free cloths
- Gloves to protect your hands

INSTRUCTIONS

Step 1

- Evenly apply MN Polish in small circular motions using a clean lint-free cloth
- Work within small, controlled sections

Step 2

- After a max. of 1 minute, polish the surface with a soft, lint-free cloth

If the product is left on the surface for too long, it becomes difficult to polish. In this case, re-apply Lithofin MN Polish Cream and polish immediately

Product ISTLI020
Size 150ml

TIPS

- With regular use, the surface can be polished to a high gloss
- On large surfaces use Lithofin MN Polish (liquid)
