

For the thorough cleaning of grease and oil, all kinds of general and ingrained dirt and watermarks.

Power-Clean is a concentrated, highly effective product suitable for indoor and outdoor use. Perfect for getting into those tricky shower floor corners. Acid and solvent free.

pH 10 -13

APPLICATIONS

Suitable for all types of natural stone, especially polished, finely honed, and rough marble and other natural stones.

EQUIPMENT

- White lint-free cloths
- Gloves to protect your hands

Product **ISSTLI02**
Size **1 L**

INSTRUCTIONS

Step 1

- Bucket dilution is 1:10. For every 1 litre of water add 10ml of Power-Clean
- Carefully wipe or brush diluted product onto surface

Step 2

- Allow to 'dwell' for 10 – 20mins
- Wash surface thoroughly with clean water. On large areas use a squeegee to remove excess

⚠ Do not allow product to dry, add more water if necessary.

⚠ Avoid splashes on sensitive areas such as metal or wood, painted or varnished surfaces.

⚠ Do not allow product to dwell on joints as it may leak through and stain the marble from the underside, or seep into the unfinished open edges of the marble.

TIPS

⚠ Always test the product on an inconspicuous area prior to use
