

HMK P301 is an effective, ready to use 3-in-1 product for daily maintenance of honed, polished and textured natural and man-made stone surfaces. Clean, polish, protect.

Quick and effortless removal of light dirt and grease. Maintains the natural appearance of surfaces with minimal enrichment of the colour and structure of the surface. Food hygiene compliant. pH 8

APPLICATIONS

Cleans, polishes and protects in one action. Suitable for kitchen countertops, tables, vanity tops, window sills, etc.

Product ISTHK010
Size 500ml

INSTRUCTIONS

Ready to use, do not dilute

- Shake bottle well before use.

Step 1

- Spray P301 onto your cloth and spread evenly over the entire surface

Step 2

- Allow a short period of time (approx. 1-3 minutes, but do not allow it to dry) for the product to become effective, then wipe the area with a soft cloth

Step 3

- When the surface is dry, buff the area with a dry cloth to bring up the shine.

Do not apply in direct sunlight. Do not spray onto hot objects

TIPS

- Always test the product in an inconspicuous area to evaluate suitability, coverage and performance
- Protect surrounding surfaces
