

Try an environmentally friendly alternative to single colour catcher sheets! This Colour & Dirt Catcher Cloth has the ability to collect all the stray dirt and dye that is swimming around with your clothes in every wash. Unlike disposable sheets which are thrown away after every wash, this reusable cloth can be used in up to 30 washes. pH not applicable

APPLICATIONS

Use for mixed colour washes.

WASH TEMPERATURE

Effective at all temperatures

Product	LSRDR140
Size	1 Cloth (up to 30 washes)

DIRECTIONS

- Place the Colour & Dirt Catcher sheet at the back of the washing machine
- Load the clothing, adding detergent as usual
- Loose colour and dirt will be collected and locked onto the sheet during the wash cycle
- Simply remove the sheet at the end of the wash. You can see the transferred colour and dirt on the sheet
- As more colour is collected the cloth gets duller, this is perfectly normal. The colours are locked into the cloth and will not be released onto your clothing in the wash
- The cloth can be used up to 30 times and will then need to be replaced

TIPS

- ! Your clothes stay bright and vibrant so you can wash with confidence
- ! Less waste and plastic in the environment have got to make you feel good while doing the washing!
