

STUBBORN STAINS

- Follow instructions above and allow product to 'dwell' for longer
- Ensure stain remains humid
- Machine or hand-wash the item per care label instructions

NON-WASHABLE ITEMS

- Follow the stain removal method described above
- Thoroughly dab the stained area with a damp white cloth until stain disappears

WOOL AND RAYON

- Soak the stained area in a solution 2tsp powder to 1 litre water. Follow Step 3

HEAVILY STAINED GARMENTS

- Dissolve entire bottle contents into 7 litres of warm water and soak item for several hours
- Machine or hand-wash the item per care label instructions

Size 50g

TIPS

- ⚠ Before use test for colourfastness: apply a small amount of solution on an inconspicuous area and leave until dry. If there is no change in colour, continue following the instructions above. Always rinse tested area with warm water and follow garment's care label instructions.
- ⚠ Do not use on leather, suede, acetate/rayon, carpets or upholstery.

STAIN REMOVER

DR. BECKMANN RED WINE, FRUIT, VEGETABLES, TEA & COFFEE

Dr. Beckmann for Red Wine, Fruit, Tea & Coffee is formulated with active oxygen. The stain specific formulation works quickly and easily, removing stains whilst being gentle on fabrics.

pH 9.9

APPLICATIONS

All types of fruit and juices, berries and vegetables, all alcoholic beverages, caffeinated beverages such as cola and lemonade, balsamic vinegar, jams, cocoa, yellowing, mould, animal excrement and vomit.

EQUIPMENT

1 small plate – not plastic

White absorbent cloths

Gloves to protect your hands

Size 50g

INSTRUCTIONS & DOSAGE

Step 1

- Carefully remove excess dirt. Place a white absorbent cloth on the plate and put it directly under the stain

Step 2

- Dampen the stain with a little water. Sprinkle powder abundantly over affected area and re-wet.
- Work solution into the stain with a teaspoon and some water

Step 3

- Allow product to 'dwell' for up to 60 minutes. Do not allow it to dry. Brush off powder with a damp cloth.
- Machine or hand-wash the item per care label instructions

For details on stubborn stains, non-washable items etc., please see overleaf.

TIPS

- ⚠ Before use test for colourfastness: apply a small amount of solution on an inconspicuous area and leave until dry. If there is no change in colour, continue following the instructions above. Always rinse tested area with warm water and follow garment's care label instructions.
- ⚠ Do not use on leather, suede, acetate/rayon, carpets or upholstery.
