

The Dusting Mop Head fits neatly onto the aluminium base of the e-cloth mop pole and naturally attracts dust from floors.

The Dusting Mop Head is quicker than a vacuum cleaner and will give a perfect finish on all hard floors including laminate, stone, tiles and wood. The cleaning head attaches with Velcro, making it easy to remove and wash.

Recommended by the 'Good Housekeeping Institute' and 'Allergy UK'.

APPLICATIONS

The fibres are designed to pick up and hold dust and loose dirt, before washing the floors.

Product PACEC030
Size 45cm x 13.5cm

CARING FOR YOUR MOP HEAD

- For day-to-day use, rinse sleeve with warm water and allow to air dry completely after each use
- Machine washing recommended as low as 30°C but for best results wash at 60°C with a small amount of washing liquid or powder

 Do not use bleach or fabric softener

TIPS

- Use a vacuum with the upholstery attachment to quickly remove dust and dirt from the head
- Try our E-cloth Deep Clean Mop, available separately, to remove over 99% of all bacteria (including e-coli and listeria) from hard surfaces with just water
