DIRECTIONS

*Washing*

- Cotton tea towels are machine washable up to 40°C
- Linen tea towels are machine washable up to 50°C
- Microfibre tea towels are machine washable up to 60°C
- Biological detergents are best when washing tea towels as their purpose is to break down protein, starches and fat in food and other stains.
- Do not use fabric softener.

*Drying*

- Cotton and linen tea towels can be tumble dried on a medium setting.
- Microfibre tea towels are best air-dried or use tumble dryer on cold setting.

TIPS

- Always wash tea towels before first use. You will find the absorbency will vastly improve.
