

Ecological washing liquid concentrate for professional dishwashers. Effectively cleans and degreases all of your dishes and utensils, even in hard water.

Formulated with natural substances (essential oils, plant materials) selected for their efficiency and low impact on the environment.

Free from synthetic fragrances, colours and phosphates. Biodegradable. pH 13.5

APPLICATIONS

Dishware, cutlery, stainless steel and glassware.

Product PDWPR012
Size 5L

INSTRUCTIONS

- Depending on the soiling and water hardness, pour 1 – 5ml per litre of water into the detergent compartment of your dishwasher.
- Close compartment and set programme.
- For best results clean at 55°C and always include the rinse cycle.

TIPS

- Rinse away food debris, baked on food and cheese, and any washing-up liquid
- Stack dishes, glassware and utensils with space in between, as recommended by most dishwasher manufacturers
- Do not overload your machine
